

TUITION REFERRAL CREDIT

You are the voice of CKA! You can **reduce your family's tuition** for *every student* you influence to attend CKA. Tell your own story and promote the school by proclaiming to those in your web of influence the benefits of a Christian education and how you personally are benefiting from your child attending. You will receive discounts on your tuition for *every student* who registers.

Who is eligible to receive *tuition credit*?

- All current CKA families

How do I receive *tuition credit*?

- For each *student* of a *new family* that you encourage to *register* who stays enrolled, CKA will *credit your one year's tuition* bill by:
 - ❖ \$1,500 for the first child in a family
 - ❖ \$900 for the second child in a family
 - ❖ \$600 for each additional child in the family
- The *new family* must designate your name on their application form at the time of their *registration* for the credit to be valid.
- If the *new family* designates two families on their application form, then the credit will be shared equally between the two families who influenced them.

Who is a *New Family*?

- Families with no children attending CKA in prior school years and who register at least one student.

What do I do?

- CKA *promotion materials* are available in the school office for you to provide to interested families. Please take as many packets as you realistically feel you will use.
- Write a *personal letter* to those families you think would be open to a Christian education for their children.
- *Follow up* to see if they received the letter and have any questions.
- Make sure *your name* is written on the *application form* of the new family when they register.
