TEACHER CONVENTION

October 22-23

NEXT WEEK

School will be closed next Thursday and Friday as the CKA faculty attends the Association of Christian Schools International (ACSI) teacher’s convention in Bothell.

Each year, nearly 50,000 teachers, administrators, pastors, and school board members attend ACSI conventions and conferences around the world. Each is characterized by inspiring general sessions and insightful professional seminars. Commercial exhibits at conventions enable educators to examine the latest in educational materials and publications.

These gatherings are marvelous times of fellowship with Christian school colleagues. Please keep our staff in your prayers. The theme of this year’s convention is: BEYOND...

“Beyond focuses our attention toward the future and encourages those of us in Christian schooling to envision the impact of our work on future generations as it reaches to eternity. We are participating in a divine plan for building God’s kingdom through our ministry.”

MEDICINE AT SCHOOL

Please take note of this important reminder of our policy for the administration of medicine at school:

Medications **MUST** be brought to school in their original containers and stored in a locked cabinet in the school office.

Parents must fill out an “*Authorization to consent to Treatment for Medicine at School*” form, prior to administration of any medication by the school.

A new form is required each school year.

Students are not allowed to keep medicine with them, or in their lockers. This includes all non-prescription medications. Thank you for your diligence in observing this policy.

FIRST GRADE FRIENDS

Fifth grade buddies, Sam and George, provide some wonderful assistance in reading and printing. They come in to help their First Grade Friends during their free period. They help support the first graders as they practice for permanence; and share their knowledge and experience. The first graders are so excited to see them and honored that they would come to help. Thank you, Sam and George!

Sam helps out Sarah and Nathan.

George works with Ethan, Shileigh and Shae.

JR. HIGH SPIRITUAL EMPHASIS WEEK

Pastor Brent Colby, from Christ Memorial Church was the guest speaker For Junior High Spiritual Emphasis Week. Our ninth graders report on the week:

"Spiritual Emphasis Week was a lot of fun because our speaker, Brent Colby, was great! He is so funny and he helps make the stories cool and funny too." Kirsten Judkins

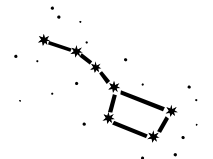

"Pastor Brent has a gift for explaining things so that you can understand them. I've really appreciated his words this week." Cassi McGuire

"Brent is a really good speaker. He is very good at telling a life story and relating it to scripture. That aspect of his sermons really helps the audience understand the message." Katie Shaw

8TH GRADE SCIENTISTS

Eighth graders made templates that will help them recognize constellations this week.

Students can receive extra credit for finding the constellations in the night sky!
