

Dear Home School Friends,

Providing a Christ centered education for our children today is of utmost importance. Christ the King Academy would like to assist you in providing a few extras in your home school experience. We provide extra activities, sports, and additional academic or elective courses.

Our teachers are all certified with the State of Washington, have a great love for children and are skilled educators. We are an approved school through Washington State and have continued to touch the lives of many families since we began in 1974.

Consider how CKA can help you in your child's well rounded education. The following are the features of this program:

- \$200 yearly registration fee per family. The fee covers all children in the family. It is waived if another child is enrolled as a full time student at CKA.
- \$1,600 per student for each academic or elective course taken - **junior high only**.
- \$1,600 per student for Band – **4th grade through junior high**.
- Additional fees for activities and sports.

To apply, fill out the **Home School Application** and **Recommendation Forms**. Students and parents will be interviewed by the school principal in order to participate in any part of this program.

The registration fee covers:

- ❖ *Eligibility:* To choose and pay the fee to take one or several academic or elective courses at the junior high level. (Not applicable for K through 6th grade)
- ❖ *Stanford Achievement testing in late April:* Home school children not affiliated with our school will be charged \$100 per student on a space available basis.
- ❖ *Extracurricular:* ACSI sponsored events such as: Speech Meet, Spelling Bee, Art Fair, Musicales, Math Olympics, Science Fair, etc. (Dependent on CKA participation) Fees may be charged according to event and travel.
- ❖ *Chapel programs:*
 - K – 6th Chapel on Wednesdays from 8:40 – 9:15 a.m.
 - Junior High Chapel on Thursdays from 8:40 – 9:15 a.m.
- ❖ *Sports:* 5th/6th Basketball and junior high Basketball and Volleyball. Fees for each sport will apply.

- ❖ *Class fieldtrips.* The parent must accompany the home school child. Siblings are not allowed on school field trips.
- ❖ *The Eagle Flyer:* You will receive our school newsletter informing you of school events and activities.
- ❖ *Library use:* Available when not in use by CKA students. Parent must supervise.

We hope that through this partnership program your own ministry with your children will be more effective and that CKA will play an important role in your efforts to provide a quality Christian education for your child. For more information on our program, please visit our web site at www.ckaeagles.com

Sincerely Yours,

DeAnna Henning
Principal of Christ the King Academy
