

Music!!!

Dear Family,

I hope your family has been in thought about your 4th or 5th grader being involved in band. If you're child is going to be in band, they need to have their instrument and book by Tuesday, September 9th. Please return this sheet as soon as possible so that I can know who's going to be in Band and who will be in General Music.

The book your band student needs to have is *Essential Elements 2000* for their specific instrument. This book can be purchased at any of the local or online music stores. Mills Music in Poulsbo or Ted Brown Music in Silverdale are both great resources for music and instrument rentals/purchases.

If I can be of any help with questions or direction, please let me know.
