

The Bear Facts Kindergarten News

June News

Dear Parents,

Wednesday June 16th, from 12:30-2:30, we will be walking to Lions Park for our end of the year trip. On the way home, we will fulfill the kindergarteners' dream of stopping for a treat at Dairy Queen. Thank you to our parents who have volunteered to join us! It will be a memorable time.

Thursday morning, we will have a surprise for our entire class.

So many fun days ahead for our CKA kindergarteners!

The all school awards night will be on June 17th at 7:00 pm in the church sanctuary.

Don't forget to purchase a yearbook. They will sell out and you might be sorry! Contact the office ASAP!

Reading and Phonics Practice

Please continue to read with your kindergartener. We are working on **comprehension**. Encourage them to re-read the story to help them to develop comprehension and ask questions like, "what do you predict will happen?"

No School
Monday, May 31st,
2010
Memorial Day

Bible

Bible Verses A- Z

Practice all of them to present to an audience!

It will be a great opportunity to share God's word.

This Week's Assignments This Week's Highlights

This week the **homework folder** will be coming home on Monday with a few things:

- Read booklet at the circled page Tues. and Thurs. nights
- Re read a story, faster
- Practice Bible verses A-Z
- Parents write a response message in their journals.

Reminders to Students

- Bring a **healthy snack** every day
- Bring one **clean water bottle**
- Please check our class "Lost and Found" box for your items.
- Last call to buy a year book!

Here are some quotes about reading and fluency:

Carson- "So we become good readers and read faster."

Addy- "It helps you read better and read smoother. It should sound like we are talking. "

Alyssa Ray- "So you can be a better reader and a better writer."

Alyssa Cooper- "Well it is important because we have to read smoothly and not choppy."

Phonics- Readers # 1, 2, or 3

Mathematics- Chapter 20 – Adding with larger numbers: $8 + 2 = ?$

Science Unit- Parts of the fish

Journals- Writing a fish story!

Art – Using pastels to draw and color a fish.

Bible- Practice verses A-Z for presentation!
